

Congratulations! Student members and directors will soon receive an email with forms and information to read through and return by December 8. Please inform Kevin Whitelaw of any misspellings – this list will be printed in the concert program.

Alternates: You do not yet participate with the All-State Jazz Band and you will not receive forms and information unless you are contacted by Kevin Whitelaw. If a student above you cancels, then you will be contacted to participate. You are recognized here and in the concert program for your outstanding work.
